## Foreword

In some ways, we twenty-first century homo-sapiens are sooo egotistical! We're sure we have evolved into a perfect human-being with ultimate technology! How is it that after thousands of years, we see ourselves as the first generation of humanity to travel in outer space, enjoy the use of cell phones and read books by a Nook! With all our 'modern' inventions that supposedly provide time for relaxation, we have neither time nor interest for reading histories of any kind; including the Bible! How could we possibly know about technologies of former eons?

We settle-down with the feeling that the Bible was written for our generation, and skip-over everything that doesn't seem to be talking to us! We have the assured feeling that if we've ever made the confession that Jesus Christ is Lord, we'll someday go flying up into the sky with an experience called the "rapture;" and we seemingly, have no compassion for saints who were suffering widespread tribulation and persecutions under the hand of Nero..... Or have we even heard of a person called Nero? Why should they—not have anticipated this miraculous "rapture?" After all, it was promised to them; and they did—so desperately—need it! And how could it be, that archaeologists are finding traces of civilizations possessing far-greater technologies than even we have attained-to in our generations?

In the early 1900s, we were still riding horses pulling buggies and reading by the light of a candle. But just thirty years later, we were 'taking to outer space' and flying airplanes worldwide! So—why should we even question the quantum-leap of higher technology—forty years after Jesus at the age of twelve—had spent five days-or-so in the temple at Jerusalem asking and answering questions of the learned-men from all over the world?

*What is wrong with this picture?*

Perhaps we should we change our view to see it this way:

In the light of King Solomon's statement "That which has been is now, and that which is to come has already been; and God requires that which is past" ? If we can visualize the ends of earth's ages in this light, then we can see that at the end of each age that was folded up and changed—every possible technology would have been invented and in use—somewhere on earth, because God requires it of men.

*For the counting of years in this document, you'll find that the abbreviation "C.E." (Common or Christian Era) is used in the place of the usual "A.D." for this reason: The early use of numerals for dating had very different meanings than they do today; in fact they were not even called "Roman Numerals" until around the fifteenth century. In examining ancient bronze plaques, for instance, we find them using the letter i for the first digit in their dating, followed by a dot and then one to three numerals—the i standing for the first letter in the name of Jesus. At some point, the letters M, C and D were also implemented—M standing for Magnus or Great; C standing for Caesar, Kaiser or King; D standing for Domini, meaning The Lord Divine, or as some say; The Great House. One king: Rudolph Habsburg's gravestone contained numerals that when interpreted, reads: 291 years from the accession of the Great House.*

## About the Arranger of Information

*There are a couple things I appreciate about my years in Bible School: For one, we had a 'Spiritual Life' teacher, Dr. Hubbard, who: besides teaching Bible Analysis and Synthesis, instructed us in everything from how many times to chew our food to stay healthy—to the respectful way to sit in the worship services. It was from him that I learned to love studying the Word of God in depth and in sincerity; and that's what I value the most.*

*It was just after graduation from Arizona Bible Institute, that I began receiving Words—words of which I did not know the meaning! I was 21. At first I would begin saying the word, and then become curious as to the meaning and go to the dictionary for relief! Then sometimes immediately, but other times within a few days, I would be able to see that it was meant for enlightenment on a portion of scripture that had puzzled me, or for guidance, or to help someone else understand their circumstances. After a while, it would be names also, that I was saying, and it came to me—I was to pray for that person although I would not remember ever hearing the name. Many of you reading these words can remember doing the same—God is always talking!*

*Mother was never one to talk a lot—unless there was something that needed to be said, or there came an opportunity to make a little play-on-words, to repeat a joke, or to quote some relevant tidbit from the Bible. But while I was privileged to care for her after she suffered a stroke, there were times that she shared some things with me. In one of those instances, Mother told a dream she had about prophecies. In the dream, the Lord reminded her of how He had used her in the 'gift of prophecy.' She told Him she did not remember being used by Him in that way. Then He reminded her of all the little slips of paper she had written-on, and saved in a dresser drawer. After hearing this dream of Mother's, I began treasuring and organizing the little slips of paper I'd written-on.*

*It was in September 2012 that I began waking many mornings between 2:00 and 4:00 with lots of words; and this book is the result of those early mornings! At first I began keeping a notebook and pencil handy and would write it all down. But then it just seemed easier to use the computer (maybe Enoch was given something similar to write the many books the Lord God gave him to copy and leave with his family and friends).*

*I cannot say that my life since birth into God's family as a teen-ager has always been a beautiful picture; on the contrary, it has not. Although I like to think, as King David of old, that I've never wickedly departed from my God: for much of my life, in matters of decision making, I've not taken time to compare my gut feeling with what the Bible has to say about it as well as how it might affect family or friends; and have made severe mistakes. And also, I'm just now learning to keep in mind—the eyes of the Lord are in every place, beholding the evil and the good; and to realize almost constantly the presence of YHSWH as a friend that sticks closer than a brother.*

## Prelude to the Preface

Contrary to popular opinion, you do not have to be a prophet, priest, Or even a 'holy saint, to be able to receive 'Words' from the Lord God.\*

He is always speaking—all over the earth! Giving guidance: through alignments of heavenly bodies; cloud formations; dreams; words which come into mind that are unknown to you; Through a friend, an acquaintance, your pet animals; And even messages flashing across the TV screen which a searcher for Truth may receive as illumination or guidance.

Amos was a herdsman and a gatherer of sycamore fruit. As he was following the flock, The Lord spoke to him and told him to go and prophesy to His people Israel.

*Amos chapter seven: 14-15*

He obeyed. Then Amaziah the Priest of Bethel came and told Amos to go elsewhere to live and prophesy there; but not at Bethel, As it was the king's chapel and the king's court!

Amos' answer was: "I was no prophet, neither was I a prophet's son; But The Lord took me as I was following the flock and said to me, 'Go, prophesy to My people Israel.'

## Preface

Words that came on September twelve, two thousand twelve: Is it not true, - that the majority of humanity in the Age of the Gentiles have assumed That I was through with speaking to man for a printed Word?

You claim to cling on every word of medieval man's canonicity, Assuming the works of any following, to be either—false, non-essential, Or not applicable to your Times.

Remember! I fill all things! It is My Powerful Presence In the center of every atom of your universe that may be dreadfully destructive If not directly designated when divided.

It is I Who sit upon the circle of the earth And the inhabitants are like grasshoppers!

*Isaiah chapter forty: 21-29*

Yet your way is not ever hid from me, and those who wait upon me shall be able to Fly above their circumstances as the eagles, and have their strength renewed!

I Am the One who continually oversees the guidance of all nomenclature of Astronomy, Physiology and Geology. I Am Here for You! Will you trust me? I AM Love!

I, through My Image on earth, paid the ultimate price to Redeem you From the hand of the evil one! It is by faith in My Blood that was shed As the ultimate sacrifice for the remission of sin upon repentance— That makes both Jew and Gentile clean and whole: No longer Jew nor Gentile, male nor female in My sight; But rather one new creature in Jesus Christ YHSWH the Messiah Adonai.

*The Crucified Christ Preaching to the spirits in prison*

Contrary to your assumptions, I have continued giving to My children... Words; And I will continue to give Words, at times, To My sons and daughters of earth—As I have spoken through men and women of years gone-by. You must not reject My Words because of their lives. Remember: I used the harlot Rehab to be great grandmother To My servant David the King of Israel. And moreover, his great grandfather to the 8th Was born of a woman who justly feigned to be an harlot! The lives of some of these today have also had many flaws; But I choose to use them for their willingness to listen, And to experiment with Truth.

## Words

My name is YHSWH. Although men have ascribed to Me the name of Jesus—It is not the name given to Me by My Father, As you have learned by your interest in the enigmatic codes—Hidden in the written text.

I AM a Sequestrian. I, only—dwell in Light to which no man can approach. Nonetheless, I AM always concerned about the affairs of men, And I AM always speaking to you Either through Astronomers; a minister of My Word; Or through many other methods. If you listen, you will hear! In fact, I am at your door even now, desiring entrance! I have given information to various people in your times; But their words were either Not received as from Me, not deemed to be important; Or hid from your eyes By governmental authorities and Mystery Babylon!

In the fifteen-hundreds—years of your times, there lived a British prophetess known as Mother Shipton.

*Mother Shipton ~ 1488-1561*

Among her prophecies, she foretold that women would begin to “Dress like men and trousers wear, and cut-off their locks of hair.” I do honor the decency and faithfulness of women in the West Who hold fast their form of modesty in dress—to please their Creator. But they must not stand as judge!—Unto those who have accepted change with decency. Because, like My faithful Apostle Paul, You must be willing to accept change When it is in the prospect of saving a soul! He was a ‘Pharisee of the Pharisees—But when in Rome, he did as the Romans: So they, seeing he was one of them—would hear him.

The daughters of My servants in the East Have not departed from their customary way Of dress that pleases their husbands as well as their Creator. I must give them honor.

Because of the Times, with women as well as men having to work outside the home, They have not taken time to teach their children The most important matters of life—Truth, Thankfulness, Modesty and Making best use of Time.

And like a canker sore, their carelessness has bred many temptations For inordinate passions among those who have not a love for decency and Truth.

In the Early nineteen hundreds of your counting of time, The Russians suffered tremendous upheaval of governmental economic systems Until the inhabitants of those lands lost all recognition of who they were, What they were becoming, where they were supposed to be, And what they were to do!

The author of a great literary work was able to peer into people's souls And describe them in a way no one ever talked about; And from time to time he spoke of Me in a way that enables you to realize Their dependence upon Me to make everything be all right in the end!

You cannot judge them in things that transpired in their lives; For if the Foundation be destroyed—what can the Righteous do? Just so—among every nation of earth, There are those in these Latter Days of your Times To whom I have chosen to give 'Words' And they are eager to share My Knowledge with others worldwide!

## Words About Ancient Ages

Think not that I created man on earth with a will of his own And aspirations to become like Me—and then just left him to evolve on his own! Was it not My anointing that gave great men of old The drive to be ‘thinkers’ and ‘doers’ To bring earth’s occupants out of darkness into light?

But ‘Babylon’ and ‘Mystery Babylon’ have robbed Me Of My due place in the minds of men!

Unlike the Words given through My chosen people Israel—My Words given to men of other nations have not been guarded As the scribes of My ancient people had guarded My Words; And My honor has been attributed to invented gods of fantasy!

Of the Greeks: Homer and Hesiod wrote under My anointing—didactic poetry!

*Homer and Hesiod were Greek Poets who wrote Around 100 years after King Solomon*

Some were prophecies foretelling My fierce wrath Poured-out against all wickedness; And by My anointing, they also wrote words of guidance for all areas of life—Because of My love and tender care for all nations of earth!

But their works were corrupted when acted out in theatrical plays; Each time, being changed to suit the writers; Thereby robbing Me of esteem among men, And attributing My power to that of their gods!

In the days of Moses, his father-in-law Jethro of the land of Midian was My prophet. It was no accident that Moses, when fleeing from the Egyptian king—Was led to the backside of that desert where for forty years I trained him to be able to survive under difficult circumstances... And when I appeared to him in a burning bush, I called him to lead My chosen people Out of the bondage from which they so desperately desired deliverance!

*Exodus chapter three: 1-6*

When I had brought them to My holy Mount Sinai I saw their trusting love and devotion And knew it was time to make a covenant with them, To protect and prosper them—For when the time was right, I would bring forth My only begotten Son into the world With DNA that had not been tainted by mixture with other families of earth.

I called My most humble servant Moses, To the top of the mount upon which I ascended—Robed in the image I had created in which to walk with the man I had made. I also allowed others of the elders to see Me In the glory of that Image I had created before all things—For He is the beginning of My earthly creations for man. I wanted to talk to all the people camped around My mount; But when they heard the voice of the Trumpet sounding loud and long,

And thundering of My voice—they were afraid and began moving farther away!

*Exodus chapter nineteen (God's voice boomed out to the people in the camps below the Mt. Sinai)*

So it was there—I delivered unto Moses all the instructions For the Covenant I desired to make with that family of earth; And when they all agreed with one voice to all the words of the Covenant, They became My People by Covenant forever!

Afterward, when Moses was at his wit's end With the complexity of problems arising among My people: Jethro, being in tune with another dimension of knowledge, Was sent to My wandering people To give the understanding—that was necessary For Moses to carry-on systematically.

My prophet Balaam was well-known by the king of Midian—As a prophet to be relied-upon; And was called out of another country To curse a great throng of traveling people Who were feared by every nearby nation! I warned him not to go; but he, desiring fame; And from fear of an earthly king—did go; But because of the fear that he had before Me—Was able to enter into another dimension Where he saw the past, present and future of My people at once, And blessed them with words that I put into his mouth!

There are others who have greatly desired The esoteric knowledge of those ancients; But without the key of love and of 'fearing before Me', Have attributed it to ancient gods and goddesses, Apparitions of ghostly beings, and aliens to your planet! Because they have not acknowledged the fact that My Spirit does fill all things... And worship before Me.

Therefore they have not been able to find that dimension Into which the former prophets have been able to see.

In the proverbs of King Solomon of Israel, I have given instructions for obtaining knowledge: And that is to first get wisdom; And with all your wisdom, get understanding—But the Fear of The Lord is the Beginning of wisdom!

## Words that Came by the Ancient Prophets

*Isaiah* prophesied of the Last Days and The Day of The Lord: He said that... Because of the land being full of idols, adultery, homosexuality, And pleasing themselves with the children of strangers—They should go and hide themselves in holes of the rocks and in caves of the earth Because of the fear of The Lord and for the Glory of His Majesty, When He arises to shake terribly the earth! In actuality, I had given them up Until the time that My Church of that generation Had travailed in birth. She brought forth the man child that was caught up unto God and to His throne!

*Isaiah chapter sixty-six:7-8 & The Revelation chapter twelve:1-5*

You must keep in mind the fact I have had a Church in all of Earth's Ages! The Israelites that came out of Egypt by Moses Were My 'Church in the wilderness,' And only a few of them entered the Promised Land: They were Believers who trusted and followed Me Wheresoever I would lead them. So has it been in other of Earth's Ages!

The Man-child would rule the world with a rod of iron, And there would be Peace on earth!

*The Revelation chapter twelve:5*

When the man-child was caught up to God and to His throne, there was War in heaven!

*The Revelation chapter twelve:3-5*

Michael and his angels fought the great dragon—Satan the serpent, the devil and his angels who had been accusing them night and day!

*The Revelation chapter twelve*

The evil powers were overcome and cast into the earth where they went about to destroy the woman and the rest of her seed.

*The Revelation chapter twelve: 7-10*

Satan knew that it would soon be time for judgments—not only of the righteous; But also of the sons of God that had left their first estate; And he knew that he himself would be imprisoned For the years of Messiah’s First Dominion; So, he went about to stalk the woman Which had brought forth the man child!

*The Revelation chapter twelve:13*

**Isaiah** also revealed the fact that the drunkards of Ephraim Would plant themselves in a pleasant place Like the one to which Tyrus had escaped seventy years earlier; And it was then that Tyrus began again to trade with the nations of earth, And her hire was used for those that dwelt before the Lord For sufficient food and durable clothing.

The Drunkards of Ephraim were the astronomers and astronauts Who had founded a nest among the planets, And were brought down to the earth with the hand (the open hand of direction) And by The Lord’s Mighty One.

*Isaiah chapter 28:1-3*

They were kicked out of the heavens when I opened them up as a scroll And their host was cast down to be later trodden under foot of men.

*Isaiah chapter thirty-four:4; The Revelation chapter six:14*

**Jeremiah** foretold of the Last Days and the Day of The Lord: He said to all nations of earth, that they would Certainly drink of the cup of My wrath, as pay-back For all they had done to My People Israel. I told them to observe and see when I begin to bring evil Upon the city that is called by My name—They also would not be unpunished: For I would call for a sword upon all the inhabitants of earth!

I told him to say unto them, that I would give a shout, And mightily roar from on high: going all the way to the ends of the earth—For My Controversy with the nations.

*Jeremiah chapter 25:13-38*

*My determination* was to plead with all flesh, And to give all that was wicked to the sword of My Wrath!

I warned them that evil would go from nation to nation, Great whirlwinds would rise up from the coasts of the earth; And those slain by My Sword would not be lamented nor buried; But would remain as dung upon the ground!

*Amos* conveyed My lamentation regarding the percentage left of My People That were able to flee from the cities during the siege—and it was so! And when it came to Jerusalem in the Siege—Both *Hosea* and *Zechariah* gave the time of one month For the destruction to be complete, just as the ancient historian has said.

*Haggai* related My word—that it would be just a little while, And I would shake the heavens, the earth, the sea, and the dry land; Which also prophesied *Isaiah, Joel, David, Job,* and the *Apostle Paul.*

Your ancient historians have related the incident of the great thundering And appearance of signs in the heavens—of My sudden appearance in the temple: Was it not My time for fulfillment of that prophecy? For shortly there would be no temple in which to make My sudden appearance!

I shook the heavens, also—to bring down the inventions Of those that had set their nests among the stars—thinking it would be the only safe place To avoid the devastations that were anticipated by scientists and astrologers of their day!

*Habakkuk 2:9*

And even those hiding at the bottom of the sea would not be safe; For I would send My serpent and he would bite them!

*Amos chapter nine: 3*

**Zechariah** prophesied that in the ‘Day of The Lord’, His feet would stand upon the Mount of Olives, And there would be a great earthquake, And the mount would split two ways—forming the four hills at Jerusalem.

Paralleled with **Ezekiel** and **John the Revelator**, **Zechariah** also described the river of life That flowed out from My Temple in Edom during My First Dominion; The one along whose banks grew the trees With leaves that were for the healing of the nations.

Although their cities had been destroyed by the Sheshach, Some had escaped; returning to labor in the very fire!

*Habakkuk chapter 2:13*

And the dwellers in the wilderness and mountains Who had heeded My warning to flee upon seeing their cities surrounded by armies: Yes, even they remembered the instructions to Get up into the high mountain And shout to the cities of Judah, “Behold Your God!”

**Zephaniah** prophesied: “The Great Day of The Lord is near, It Is Near, and Hastens Greatly! It is a Day of Wrath, a Day of Trouble and Distress. A Day of Devastation and Desolation, A Day of Darkness and Gloominess, a Day of Clouds and Thick Darkness; A Day of the Trumpet and Alarm Against the fenced cities and the high towers.”

*Zephaniah chapter one: 14-16; Joel chapter two: 1-2*

I said I would bring distress upon men because they had sinned against Me; And their blood would be poured out as dust, and their flesh as the dung!

I warned them neither their silver nor their gold would be able to deliver them In the Day of My Wrath! I advised them to gather together and seek The Lord Before the Day My Fierce Anger should come upon them! Even the Meek of the earth were advised That they should seek Me and My righteousness And to seek more meekness So they may be hid in the Day of My Fierce Anger!

**Micah** prophesied about My coming forth out of My Place and treading upon the high places of the earth— And all because of the transgression of Jacob! It was then; the prophecy of **Hosea** had been fulfilled: “I will meet them as a bear bereaved of her whelps & rend the lobe of their heart,

*Hosea chapter thirteen:8; Micah chapter one:3-5; Habakkuk chapter three:12-15*

And there I will devour them like a lion—For the wild beasts shall tear them” Because they had given their heart to detestable desires And to the rulers of unrighteousness! Yet the Remnant daughter that sought My face and trusted in Me—was sheltered; And I carried her in the palm of My Hand!

**Micah** also described the ‘Last Days’ As the time in which the Mountain of the House of The Lord Would be established in the tops of the hills; And every one that was left of the nations Would Go up yearly to Jerusalem to keep the Feast of Tabernacles; And it was to the remnant—to the daughter of Jerusalem, and their High Tower, That the First Dominion of Messiah did come—even as Micah had said!

*Isaiah chapter 2:2 and Micah chapter 4:1*

Yes—I had impetuously sent My prophets to warn earth’s inhabitants Of My determination to shake-out all wickedness! Even before the flood of Noah’s generation, I gave to My friend **Enoch**, while yet a child— A vision of the catastrophic events of the Last Days, *Wherein he watched as mountains slid atop other mountains*; And he so greatly feared, that he petitioned Me with vehement burden—Not to destroy all living from off the face of the earth!

*Haggai chapter two:6,7; Hebrews chapter twelve:26 Also, in the First of the Visions of Enoch, when he was learning to write—he saw mountains sliding upon mountains and thought the world was destroyed;*

But Before the Great Day of My Wrath, And the pouring-out of My Fierce Anger, I gave letters for the seven churches in Asia; Commending them upon things in which they were faithful, And warning them of things that were lacking. Among the promises to those who would overcome and hold fast till I come And keep My works to the end—I promised to give them white raiment, Not blot their name, and Write upon them My new name and the name of My God, And the name of the City of God that was to come from God out of heaven! They would eat of the Tree of Life in the Paradise of God And have power over the nations!

They were all locked into a quagmire of pandemonium and purveyors of truth; And were interceding incessantly for My intervention... Yet they were singing and making melody in their hearts Unto their Lord and Saviour; Hoping and waiting expectantly for His Promised Return And to save them from the Day of His Fierce Wrath!

*Zephaniah chapter two:3, Isaiah sixty-six:5, and the Dead Sea Scrolls*

I spoke through the prophets also—that it was *My Determination* to gather The Remnant of My People and yet make of them a great nation! My plan for them was not to leave them comfortless And left alone to search for sustenance: NO! I had spoken through the prophets that I would comfort them And perform

*Micah chapter seven: 13-17*

miracles for them as when they came out of Egypt; providing highways across the tops of mountains in every place where they had been scattered.

When I sent out missionaries described in Isaiah's last chapter—To gather My strays; Men of other nations received word of My *Determination*, And came crawling out of their caves like worms, As foretold by My prophet *Micah*—Being able to say nothing because of the glory that was upon My People; And submitting themselves to them!

At that time' I finally stood up for Myself And received the kingdom that had been promised! And I got for them praise and fame In every place where they had been put to shame—Even among all people of the earth! In that day also, I made a covenant with the beasts of the field, The birds of the air and with the creeping things of the ground, So that even a child not yet weaned could play upon the hole of a serpent and have no fear!

Some of My ministers in your latter days have been confused concerning the Purpose and Urgency of My letters to the Churches; Calling them “The Seven Church Ages.” Although this was not My original intention, The message to each is still the same: “*Hold Fast till I come!*” Like Babylon of old—Mystery Babylon has deceived the nations; Not wanting them to know it was because of My love For My Church of that generation That I sent those letters; anticipating preparation For their role in reigning over My Earth. Shortly it would be time to hide themselves for a while—In dens and caves of the earth; For sin had come to fruition and the Cup of the Fierceness of My Wrath Would soon be poured-out upon that generation of humanity Who had wickedly refused Me for the last time!

## Words About Last Days

"Last Days" always begin with an increase of knowledge, then disobedience; And end with judgments!

Adam and Eve received forbidden knowledge and then disobeyed—Only to be expelled to an abode void of My higher knowledge and technology: Which can operate only in the presence of pure love And obedience to their higher power.

Of the flood of waters upon earth, there were eight souls saved. They were saved by water bearing aloft the ark which Noah and his sons had built By My Design and Direction—working under the auspices of the Almighty. These were saved because their father Noah was perfect in his generations.

*Genesis chapters six-eight*

During those days, the sons of Seth lived on My holy mountain, And survived there with peace, harmony and plenty;

While the children of Cain had been visited by certain of the watchers That I had placed in the heavens for their safety. These had left their first estate from entertaining evil desires to become like man, And take unto themselves beautiful wives of the children of men. They, having become evil, yet possessing knowledge of ancient wisdom... Gave unto men insight unto all sorts of sorceries and technologies—Until many of My children on the mountain were enticed to go down And partake in the colorful and musical revelry of the children below.

Thus, the thoughts of man became increasingly evil continually! And My children on the mountain, because of their aversion to evil—Were crying out continually for My intervention! The cries of the children of men also came before Me Because of the giants that were begotten of the watchers—Until I thought to destroy from earth, both man and beast that I had made!

*Genesis chapter six: 1-4*

*(This could be a long-haired giant crouching on a hill—holding out a sword toward a man who'd trekked a long way in the snow to offer something that may appease the giant)*

It was My determination to send-down of the shield of waters that surrounded Earth, And to break-up the waters of the deep So that neither man nor beast could get breath and live!

Earth was cleansed to begin again in righteousness; Noah and his sons and their wives knew that the life of man is in the blood, And that without shedding of blood there is no remission of sin. So it was, that when I savored the sweet smell of their offerings, I made a covenant with man—to never again destroy the whole earth by water; Nor even destroy every living thing from upon it. And as My sign for this covenant, I gave to them the rainbow that I may look upon and remember My Promise!

*Genesis chapter nine:8-17*

After the first cleansing of earth from wickedness, And men began to multiply again—They were all of a gregarious sort, wanting to stick together And build for themselves a great city! I had allowed them to continue in one pure language. And in the episode of the Tower of Babel—with their combined aspirations, They were able to discover technologies you have not yet known in this—your day. And as in every one of earth's Ages, Their pride of knowledge led them to believe that They could be in control of their own surroundings and destinies! Therefore—I did apply a block to their thoughts Which hindered their understanding of each other, and confused their minds—So that each family of earth wandered away, seeking their own habitations.

But there was a family of earth that retained greater insights Of wisdom and knowledge; And it was out of that race called Chaldeans—that I called My friend, Abram, To be the founding father of the Israelite nation: And you have called this the Age of the Patriarchs.

*Acts of the Apostles chapter seven*

*"The God of glory appeared unto our father Abraham, when he was in Mesopotamia, before he dwelt in Charran, And said unto him, Get thee out of thy country, and from thy kindred, and come into the land which I shall shew thee. Then came he out of the land of the Chaldaeans, and dwelt in Charran: and from thence, when his father was dead, he removed him into this land, wherein ye now dwell. And he gave him none inheritance in it, no, not so much as to set his foot on: yet he promised that he would give it to him for a possession, and to his seed after him, when as yet he had no child."*

The Last Days of the Age of the Patriarchs ended When the Egyptian king Assumed he had the knowledge and power to be in control Of his destinies and surroundings, In spite of My instructions to “Let My People Go!”

My judgments at that time were upon that king and his realm, and any others... Even of My chosen family—who may have refused to honor My authority!

*Exodus chapters seven-twelve*

As in other Ages, the Age of the Patriarchs ended with judgments, although My judgments at that time were upon the King of Egypt and his realm, and any others... Even any of My chosen family—who may have refused to honor My authority! And I gave to My servant Daniel, the list of kings and governors Who continually brought them under their rule, laying grievous burdens upon them And even destroying or polluting their places of worship.

Your ancient historians have written of the Sheshachs Setting themselves up as gods, And eventually bringing their banners into My Temple! But I allowed it because of the continual backslidings of My People, And because of their rejections of My brokenhearted entreaties—To acknowledge Me as their close friend and King! During those years there was a follower of righteousness and lover of truth, Being himself in the lineage of My Priests—who earned My respect and aid In his brave acts of rebellion. You have called him Judas Maccabeus, And Daniel spoke of his clan as the people who knew their God And were strong and did exploits!

Afterward, there was a powerful, wealthy king appointed to be governor in Israel, Who allowed the Israelites freedom of worship. To win their love and respect, he built for them a majestic temple; And because it was also in honor of their God, I allowed him to understand mysteries of technology With which he built magnificent cities That surpassed the fineries of the great cities of your day!

There were other peoples of the Last Days Who shared in this advancement of Technology And designed vehicles that supped-up My erring people And carried them away captive to a far land. although some were swallowed up by evil beasts of those days, that no longer exist in your times.

*Habakkuk chapter one: 8-10*

*Isaiah chapter thirty:6*

I also allowed the production of weapons that destroyed their cities As Sodom and Gomorrah were overthrown.

*Amos chapter four: 11*

Yet My People did not take it to heart to seek My face And turn from their wickedness! But In the Day of My Passion, I had been as a worm unto them And despised in their sight. Everyone who saw me laughed me to scorn and said, “He trusted in The Lord That He would deliver Him,” Because they knew that My delight was in My Elohim;

For it was He who took me out of the womb And caused Me to hope When I was on My mother's breasts; When My time was near, I cried unto Him to be not far from Me, For they were all around Me like strong bulls and roaring lions.

*Psalms twenty-two; Isaiah chapter fifty-two:13-15; John chapter eight:29*

I was beaten until My visage was marred more than any man; My heart was melted within My bowels; My tongue cleaved to My jaws; My hands and My feet were pierced, and all My bones were out of joint and exposed to all that were there—just staring at Me; There were even some that were gambling with My garments! But still My prayer was unto Him—that He would deliver Me from the lion’s mouth, And I knew that My Father heard Me Because I always did those things that pleased Him.

Although I had paid the ultimate price to purchase My People from their bondages, Yet they spoke lies against Me and refused all of My counsel. At times I was as a lion or leopard crouching by the wayside

As they went up to their high places—Knowing that I would someday meet them as a bear bereaved of her whelps!

*Hosea chapter thirteen:7*

So I watched as they went up those elaborate steps, Bearing My ointments and the babies that were rightfully Mine!

Offering it all to the images of their fanciful gods! I could have pounced upon them then; but I Am God—and not man!

*Ezekiel chapter sixteen: 20*

Finally, I grew tired of punishing them; sending prophets each time to warn them; And said: "I will go, and return unto My place, Till they acknowledge their offence and seek My face." For I was broken with their whorish heart and their eyes gazing in adoration Upon their golden idols and never upon their only true lover!

*Hosea chapter five:15*

So it was—that when the Cup of My Wrath was filled-up—My determination to slay them with famine, evil beasts, pestilence, and sword—Was carried out, And the saying was fulfilled: "I will meet them as a bear bereaved of her Whelps!"

Yet the Remnant daughter that sought My face and trusted in Me—was sheltered; And I carried her in the palm of My Hand!

Those were the 'Last Days' of the generations of the Israelites, Ending with that Great Tribulation, that I have called 'The Day of The Lord' And the establishment of the Mountain of The House of The Lord—Exalted above the hills at Jerusalem

*Isaiah chapter two: 2 & Micah chapter 4:1*

And the beginning of my First Dominion Reign at Jerusalem!

After the ‘Punishment of Jerusalem’ and finally all the ‘Wicked of the World’, There were only a righteous remnant left on earth. They survived the devastations by hiding themselves in dens and caves, And while sealed securely inside, their hearts could only meditate terror—As in the fire of My jealousy I poured out My fierce anger Upon the objects of My Wrath! Some of them were spared because they were righteous; Others were spared because they repented of their deeds And turned unto Me with all their heart!

At that time, I made a new covenant with them And also, all others who have not been called My People, Yet desperately desire to be—and they are called the sons of the Living God. And this new covenant is based upon laws that I write in soft repentant hearts And not upon tables of stone. For My Fear had instilled within them a new heart!

It was at the End of the Israelite Age, that There was no longer a need for the people I had sheltered So that the Messiah would come forth with a pure DNA, Born of a virgin of the Israelites—Yet I needed them now to be the righteous nation that would once more bring honor to My name in the earth... And the one hundred forty-four thousand harvest of those first Ages was reaped—to enjoy their heritage of Life in the First Dominion of the Messiah along with those who were alive and remained.

And now My New Covenant is a better covenant built upon better promises And is offered to all who come unto Me through the Blood of the Cross of My Only Begotten Son!

No matter what you have done in the flesh or even in your imaginations—All may receive forgiveness and cleansing by following Me in My Regeneration!

## Words about Latter Times

My Church in these latter Days of your Times—will see radical change! She is still “Zion” to Me. Although she is a ‘people’ who were not a ‘people’, She is now called “The Children of God.” Yes—radical change is not only nee

*Babylon* and *Mystery Babylon*—the beast that was, and was not; and yet is—Was burned with fire in the Last Days of the Age of the Israelites; Yet became alive again in the earth after the First Dominion of Messiah.

*Zechariah chapter five: 5-11; The Revelation chapter seventeen:1-18 and chapter eighteen: 23*

Now, when the kings of the earth consider that by her sorceries They have been kept in darkness—they will hate her and burn her With the fires of their newest technologies; For they are now receiving concrete evidence of hidden technologies That were used in ancient ages! Modern teachers of eschatology will all have to change their stories;

And the church will experience Perestroika!

You are now nearing the culmination of your Age of the Gentiles—The next being My Universal Kingdom. Through My servant Isaiah I spoke and said, “When The Lord brings-again Zion...

His ministers will see eye-to-eye,” and My Story will be True History.

*Isaiah chapter fifty-two:8*

At this moment, out of thousands of ministers on earth, There are very few who see eye to eye Regarding the subject of My former Coming for the destruction of Jerusalem And finally all the wicked of the world— As well as My coming at the End of the Age of the Gentiles! When I came to punish Jerusalem and the wicked of the world,

I called it The Last Days—in which My Messianic Kingdom was birthed; And you call that ensuing era that followed—the Dark Ages Because Mystery Babylon has hid it from your sight!

In these Latter Times of your generations the usual idea is that Man has evolved to a highly intelligent state...

To the Contrary!—Nations of the Saved have rather degraded themselves! And out of lust for power and control; Have used espionage and sabotage On the works of great men and women who have found cures and keys To higher, more economical qualities of life!

Yes, throughout all earth's Ages, I have allowed some who have feared before Me—To be able to see into another dimension that is more real Than that you can see with your temporal eyes; And they have given you knowledge by which Civilization has advanced to higher levels!

Although in other of earth's Ages I have left potential for evil: This time I have determined to cleanse your blood Which I have not done worldwide since the disobedience of your first father. This time, there will be no more sin in My Universal Kingdom on earth, As there was during the First Dominion of Messiah: For in that Age there remained: sorcerers, fornicators, murderers, idolaters and liars; And these were not allowed to enter the City of God.

Now, I say also, to you—in your times which I have called "The Latter Days" The cup of My wrath is once more nearing the brim When it is time for the seven last plagues Written by My servant John. Your scientists and astronomers are seeking madly To devise ways in which to spare mankind—by encountering other planets With atmosphere in which they would be able to survive! They do not know of My great love for all of mankind!

They do not know I have created the heavens for the angels; But the earth is for man; and they do not trust My plans for them!

I cannot come back to set-up My Universal Kingdom on earth Until My ministers shall see With open eyes and heart—Truth about My advents; Truth... about which I am now directing a most brilliant light!

*Isaiah chapter fifty-two, 2nd Peter chapter one:19-21*

Up until now; and since the beginning of the Age of Gentiles You have known as "Medieval Ages"... Mystery Babylon has been able to keep you in darkness Regarding commencements and culminations of Earth's Ages!

The only way you will be able to survive through this 'Perestroika' is to Follow the same instructions I have laid-out for your ancestors Concerning end-time events of earth's Ages:

*Isaiah* repeated My promise: "I will keep him in perfect peace Whose mind is stayed on Me; Because he trusts in Me!" *Hosea* repeated My desire: "Turn to God; keep mercy and truth; And wait on your God continually."

And as My servant *Micah* reported: "What does The Lord require of you but to Do Justly, To Love Mercy, and to Walk Humbly With Your God?" These may also be summed up with the two statements I related to the scribe who came questioning regarding the greatest commandment: "The Lord our God is One Lord, and you shall love The Lord your God With all your heart, soul, mind and strength; And you shall love your neighbor as yourself."

Another servant wrote in the canonized book you call *James*: "If you love your neighbor as yourself, you do well."

To love your neighbor as yourself is to do no ill to anyone, and also—Do unto them as you would have others do unto you. By observance of these, you are walking in holiness and are perfect in My sight.

Some of My people today have become confused regarding My Holiness, And are putting emphasis upon themselves and what they say, or do not say, And what they put-on or do not put-on—Instead of upon loving Me, and loving their neighbor. In one of your gatherings Regarding the Times, My faithful servant Jefferey revealed to you My heart concerning this matter And I am very happy with what he did in allowing Me to Speak My mind Concerning the gaudy make-up and jewelry that is worn upon the soul! I'm saying to you: "there are hypocrites in every congregation of worshippers." And as My servant Jeffrey related: "I will break forth with blessings upon praisers Who come with loud and heartfelt praise; But with fury upon those who come with hoopla, or are there to gaze."

Again, I want to remind you that you are nearing the last of the Latter Times Of your Age of the Gentiles. Continue to be strong and of a good courage!

John saw another sign in heaven: Seven angels with the seven last plagues, That will fill-up My Wrath upon wickedness in the earth Which I created and made for Myself. Even now you are beginning to notice sores, and illness breaking out in some Who refuse to acknowledge My influence upon their lives. You have also noticed seas and oceans with tell-tale signs; And these will grow worse; But I am waiting until the sixth plague has been poured out—To gather those who have kept their garments: They are the 'called', 'chosen', and 'faithful.' This time, I will not send My angels to bring you; But I Myself will gather you to be with Me In the Battle of the Great God at Armageddon!

*The Revelation chapter sixteen:13-16, Psalm chapter sixty-eight:17*

*Elijah was taken up as by a whirlwind, into one of God's chariots  
Psalm chapter sixty-eight:17; II Kings chapter two:11*

But as My faithful Apostle Paul taught: you must now, at this time, Be willing to become nothing in this present world, And humbly submit to being changed into My Image From one level of glory to another— Until you have totally completed your mission on earth.

Finally: To love the Lord your God with all your heart, soul, mind and strength; And to love your neighbor as yourself is My only commandment to you. In performance of this, you will willingly have completed any other instructions Concerning Salvation from sickness and sin; And in this, you will have life; and abide in My love and protection.

## Epilogue

I have given to this messenger—signs in the clouds revealing differences Between the End of the Age of the Israelites and that of the Gentiles: Notice them and you will have understanding of them both; And then all the prophecies in your canonicity of My Word—Will automatically fall into place!

As My Truths are revealed to the nations of this Latter Day, Their kings will develop a deep hatred for Mystery Babylon and her daughter-organizations, And she, along with her daughters will be burned with fire from the weapons of your latest technologies!

Now let Me tell you the Trajectory of these Truths As they are hurled to humanity in this hour, Like your philosophers have also said!

At first the Words will be ridiculed, Then rigorously rejected, and finally Received as Reality Upon consideration of their Explanations to the sciences of Archeology, Astronomy and Geology! And if some of My ministers continue to ridicule Those who have already begun to Treasure these Truths, They will have to be destroyed with Mystery Babylon As she is burned with fire by those kings whose eyes are now being opened to see The True Trajectory of her Traditions.....

For Mystery Babylon has had them deceived these hundreds of years As she committed fornication with all the kingdoms of the world! She has had them deceived into believing she is the only viable church For all of earth's Ages!

Even ministers of My Word who claim to be teaching the Truth, the Whole Truth And nothing but the Truth, are now joining with her In trying to save their organizational status!

Have you not considered My warnings to “Come Out of Her, My People.”? For My Church is not at all an organization! Zion is an organism—She is My Body upon earth!

Let me remind you also, of the vision shown to Zechariah, Of the ephah that was wickedness: At first it was one woman representing a ‘church’ that sat upon the ephah. Later he saw two women with wings as of a stork and they were carrying it To the Land of Shinar to set it upon its base and to build it a house. The two women were the religions—or Babylons that have ruled the nations! During the first Ages, she was merely “Babylon;” And now—it is Mystery Babylon that has ruled Since the end of that which you are calling the “Dark Ages.” Mystery Babylon is also the beast that has received a deadly wound And then lives again with the false prophet.

Many have been lost during your generations because of your patronizing ways: Saying “The Lord is coming soon!” When in fact I did come soon—Exactly when I said I would—When wickedness had an end, as described by My prophet Daniel! Did not the writer of the epistle *To the Hebrews scattered Abroad*—tell them: “*He that shall come, will come, and will not tarry?*” It is because of the deceptions of the Mystery Babylon, That you have had no desire To even wonder why your trusted elders Have not believed My Word when—Two thousand years ago, I said I was coming soon!

Other Seekers worldwide are being inspired by My Spirit To write knowledge and instructions For the end of your Age of the Gentiles; But the words being written must not ever Be in contradiction to any former or canonized writings of My Word to mankind! Although Mystery Babylon has omitted parts, switched chapters around And changed names to protect the guilty—I have preserved enough of My Word so that lives may be healed And True history will triumph, leaving the deceptive lies of Mystery Babylon In the dust of an ensuing age of enlightenment!

*The "Day of The Lord" is mentioned in Isaiah, Jeremiah, Ezekiel, Joel, Amos, Obadiah, Habakkuk, Zephaniah, Zechariah, and by the Apostles Paul and Peter. Other prophets have called it: Day of The Lord's Wrath, Day of Visitation, Day of Jezreel, Time of Jacob's Trouble, Day of Their Calamity, the Evil Day, Day of Retribution, Day of His Fierce Anger, Day of Indignation, Day of Wrath of The Lord, A Day of Slaughter.*

*YHSWH (Jesus) drank the cup of wickedness given to him at the hand of mankind (in His passionate sacrifice of Himself on the cross) to homeopathically purge their sin and sickness (a woman is extending her arm out from the side of a dark funnel cloud, holding something to His mouth); and He is standing in judgment (behind a small round table); Now, the Cup of God's Wrath (dark cone-shaped cloud emptying into a spouted-cup) was full and ready to be poured-out unto the wicked who would not accept His sacrifice. Angels are gathering the Elect who followed YHSWH (Jesus); and to the left of the table, you may notice the (white) face of His Bride as she gazes in wide-eyed rapture toward the angels. Technological advances of the era are depicted by the appearance of an astronaut (toward the right side of the photo) and space stations as stars falling from the heavens just as the Lord revealed by Amos, ("Though they climb up to heaven, from there I will bring them down."); The cup full of God's Wrath is being poured-out upon the green earth (in the lower right corner) as it is being shaken and destroyed by whirlwinds, hurricanes, earthquakes, and volcanos. Some other objects of His Wrath are falling into an abyss (lower-left corner). The only ones left to repopulate earth are those righteous who were hiding in dens and caves of the earth. This was the Great Tribulation spoken-of by both Daniel and YHSWH—to that generation and for the End of that Age.*

*The Revelation chapter nineteen:11-16*

*At the end of the Gentile Age, YHSWH (Jesus) comes riding a white 'horse' [the original Greek word could also mean a number of other vehicles including vimanas]; out of His mouth goes a two-edged sword (depicting His Word); YHSWH (Jesus)—not the angels this time, is gathering all who have watched and kept their garments; He is gathering them to a place called in the Hebrew tongue—"Armageddon;" they are the armies following Him on "white horses" (vehicle not for mounting) and clothed in fine linen, white and clean. Every island and mountain will disappear and there will be no more sea; nor 'time' as we realize it now. Those who have not kept their garments will look forward to God's final judgment at the 'Great White Throne'. (Since God had twenty thousand motherships manned by thousands of angels in King David's times; why would He gather "those who have kept their garments" at the end of our Age... with animate horses in the sky?)*

## Afterword

"Mystery Babylon has deceived the Nations!" Jesus Christ the Son of God told His followers they would have tribulation; but that He would come soon to stand up for Himself and punish Jerusalem and then all the wicked of the world (full definition of the Greek word 'Parousia'). Those were the 'Last Days.' He had warned them through the prophets, to hide in dens and caves of the earth while He accomplished His Strange Act of Shaking the earth; He said their hearts would meditate terror, but their bread and water would be sure; He said there would be no scribe, journalist or auditor to tell what was taking place; He promised that after they were punished (then hid in caves forty-five years according to Daniel 12:12), He would perform miracles for them as when He brought them out of Egypt; He said the rulers of other nations would crawl out of their holes like worms and lay their hand upon their mouth when they heard the news of how Israel was again being prospered.

Below Cappadocia Turkey archaeologists have found at least forty underground cities; some being seven to eight stories deep and capable of being self-sustained for civilization in ancient times. This photo is of a rock mountain at Cappadocia.

*Isaiah chapter two:19 "And they shall go into the holes of the rocks, and into the caves of the earth, for fear of the LORD, and for the glory of his majesty, when he ariseth to shake terribly the earth.*

*Micah chapter seven:16-17 "The nations shall see and be confounded at all their might: they shall lay their hand upon their mouth, their ears shall be deaf. They shall lick the dust like a serpent, they shall move out of their holes like worms of the earth: they shall be afraid of the LORD our God, and shall fear because of thee.*

Although Mystery Babylon has deceived the Nations, deceptively hiding those writings of the ancient historians and prophets... that would reveal the most exciting Era of History—Now, in the Latter Days, by use of airplanes and satellites, we're finding that The Lord God has left plenty marks upon His earth—as proof of the First Dominion of Messiah during Mystery Babylon's Dark Ages.

And In the ancient prophecies, Isaiah had told His erring people: *“One thousand shall flee at the rebuke of one; at the rebuke of five shall ye flee: till ye be left as a beacon upon the top of a mountain, and as an ensign on an hill;”* Perhaps the Candelabra at Paracas, Peru is that ensign—the Menorah!

*Isaiah chapter thirty:15-17*

During His reign, all families of earth were to appear at the New Jerusalem yearly, and enjoy a week of camping with the Messiah: it was called The Feast of Tabernacles (tents). Any of earth's families that did not attend the feast would have no rain on their crops. How do you suppose the families of earth were able to travel to Jerusalem?

Since it has been discovered there were vimanas (we call them 'flying saucers') in use during the first millennia C.E. and before; then we may extrapolate the fact that The King of kings provided transportation, and left signs of this all over the earth! In the ancient prophecies YHWH said He would set signs among the nations.

In those days there were 24 Zodiacal signs, for there were 24 elders who ruled the earth. Each family of earth had their own Zodiacal sign; and The Lord God with His technology, made sure there were signs on the ground for the purpose of directing His pilots to the proper area. In accomplishing this, He, by His Holy Watchers made geoglyphs and landing strips all over the world. NASA has them on their maps, and more airstrips are being discovered in Brazil as the rain forest is cleared. Some of the most well preserved geoglyphs are those along the 'Nazca Lines' in Peru where rainfall has been measured at .03" per year.

They are figures of various animals and insects drawn on the ground and are so large they can be recognized only from high in the air. This illustration of a monkey is one of the Nazca drawings.

*Isaiah chapter sixty-six:18-19*

The largest figures are at least 600 feet in diameter, with an entrance at one end, and a waiting-area inside the figure. Many geoglyphs worldwide resemble signs of the zodiac. Geoglyphs in the western United States of America are called ‘Intaglios.’

If you are wondering what happened to the New Jerusalem... We learn from the book of Hebrews Chapter one, verses ten through twelve, that when one of earth’s Ages begins to decay, it is folded up as a garment—and is changed! The First Dominion is now in another dimension, and that is exactly how the Kingdom of God can be within us—just as it was when our Lord walked on earth with His disciples! As the cares of this temporal life abounded—more and more families became tired of the yearly trip to the New Jerusalem, and the Lord once more shortened the days for His Elect’s sake. When He freed Satan from his prison, the devil lost no time in gathering the nations that had revolted from the edicts of the King of kings; and as that

evil army descended upon the "Camp of the Saints, the Lord just 'folded up' His Kingdom and changed it; Satan's army became so confused they began destroying each other, using weapons that caused eyes and tongues to melt in both animals and man; Maya priests never returned to their temples & calendars; and likewise, any others camping at Jerusalem never returned to their hogans, tepees, and mountain dwellings. All that remained were a few folk on earth who had refused to join Satan's army.

With the discovery of the Higgs boson particle in the spring of 2012, we can see that as the First Dominion was removed from earth's atmosphere, it triggered a mighty upheaval of earth's elements: oceans roared, and Babylon's capital of that Age was swallowed-up by their billowing waves. "A great mountain burning with fire was cast into the sea" and divers have found coins in the ruins of Alexandria of Egypt—dated to the eight hundreds.

If we can believe God spoke our universe into existence, then we can believe He could've spoken mathematical equations (simple, to Him) to take whatever He wanted—into a dimension invisible to us !

*We may have to re-think every Word we thought we knew And "LET GOD BE GOD" !*

## WORDS AND PHRASES TIMELINES

For many years, dl has found herself saying words or phrases and then writing them on slips of paper now organized into files. She believes they were not given for her benefit alone; although collectively they have been an education for her writing. She also believes we have entered another age of enlightenment, and God is about giving similar words and phrases to anyone who wishes to be led into all truth—regardless of what we've been taught in the past.

When you find yourself thinking a word and then forming it with your tongue, or spelling it out—be sure to write it down, along with the date, at least, that it was received. You do not have to ask God for the words—only be willing to receive Truth; or to pray earnestly for someone whose name is given to you.

The same is true of the photos in this work. When you encounter a cloud formation that strikes you as really odd; then begin snapping photos of it every few seconds until it begins to fade. Transfer the photos to your computer and choose the one that most clearly represents whatever you've seen. In this way, dl has gotten striking sky pictures of a pterodactyl, sea horse, goat, calf, Noah's flood, Homer and Hesiod, and many more anomalies.

You must try it for yourself! God is always speaking to us—everywhere on earth. We must watch and pray, and listen for what He has to say!

dl monitors a website called [www.anewtalmud.net](http://www.anewtalmud.net) where you may find time-line lists of these Words & Phrases and Names collected over a period of decades. She also has a website for her novel "His Story ≈ History" and "The Revelation of The Christ": <http://hisstory-history.com>

This is her disclaimer: "If your name appears in my list, it is because it was given to me for prayer or for enlightenment on a subject of study; and could actually be for someone else who bears the same name. A name being on my list, does in no way infer that a person by that name adheres to any of the beliefs expressed in this work."
